

## **COVID-19 Health Verification Check**

**1. Do you (or your child if a minor), have any symptoms (new or worsening) associated with COVID-19 that are not the result of allergies or another medical condition for which you have provided documentation?**

*(see symptom list by the door)*

**2. Have you (or your child if a minor) been outside of Canada in the last 14 days?**

**3. Have you (or your child if minor) been identified as a close contact of a confirmed case or outbreak of COVID-19?**

**4. Have you (or your child if minor) been asked to self-isolate by Public Health?**

If you answered **YES** to any of these questions, you **MUST** return home immediately & follow the direction provided by public health or your doctor.
